

Online Basic Training & Modular Examinations

EASA Part-66

General

We help Aircraft Maintenance Personnel to quickly obtain their Aircraft Maintenance License (AML) in CAT B1.1 or CAT B2 by offering a tailor-made, online exam preparation course to successfully pass our EASA approved modular examinations. If you look for an approved EASA 147 Maintenance Training Organization (MTO) to get your Modular Certificates of Recognition, learn more about our innovative learning approach.

At a glance

- Learn anytime, anywhere on any device
- Learn module by module with video-based material
- Test your knowledge with dedicated training questions and training exams
- Get personal support and mentoring by our subject matter experts
- Join our regular examination sessions once you are ready
- Training material and examinations in English language

Learning Content
